# AI/TECH FOR GOOD PANEL BIOS

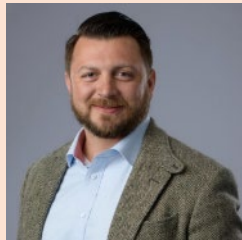

**Mike Lenox (Moderator)**

University Professor and the  
Taylor Murphy Professorship  
UVA Darden

Professor Lenox teaches the core MBA strategy course and an MBA elective on Strategy in the Digital Age, among other offerings.

He is interested in the competitive dynamics of markets in the face of innovation and disruption, with foci on decarbonization and digital transformation. In 2023, he was asked by UVA's President to serve as the inaugural Donna & Richard Tadler University Chair of Entrepreneurship and to lead UVA Innovates, a new pan-University entrepreneurship initiative as a Special Advisor to the Provost.

**Jake S. Castillo**

Senior Director, Strategic  
Solutions  
C3 AI

Jake leads Business Development and total lifecycle client support with a focus on digital transformation for the federal government.

He specializes in digital transformation for the federal government. A retired US Marine Corps Ground Intelligence Officer with 20 years of service, he holds an MBA from UVA's Darden School of Business and a degree in Information Systems Management from Auburn University.

# AI/TECH FOR GOOD PANEL BIOS

**Nick Stablein**  
Director of Tech Investments  
Cleveland Avenue

A technology business development leader with experience across software, hardware, and telecommunications, Nick focuses on emerging tech investments.

Previously, he led digital transformation strategies at Samsung SDS America and has held various sales roles at AT&T. He holds a BA from UVA and an MBA from Columbia Business School.

**Jamie Jones Miller**  
Inaugural CEO & Regional Dean  
Northeastern University's Arlington  
campus

Launched in 2023, Northeastern's Arlington campus offers graduate programs in technology, security, and policy, combined with experiential learning, research, and entrepreneurship. Co-located with the Kostas Research Institute for Homeland Security, the campus fosters collaboration between academia, industry, and government to address critical security and resilience challenges.

**Marty Weiner,**  
Former CTO  
Reddit

Marty was a founding engineer at Pinterest and the first CTO at Reddit. He retired but somehow accidentally finds himself starting a new startup called VerifyYou, a chat app where everybody is vetted to make sure they are who they say they are. Marty loves advising startups that have hit traction and are growing so fast their founders' heads are spinning :)

# GOVTECH PANEL (1:45 – 2:30 PM)

**Meg Vorland (MBA '16)**

Dcode and Dcode  
Capital

**Panel Moderator**

**Tonio DeSorrento (JD '08)**

GovPort

**Matt Chong**

Qualtrics

**Patrick McCreech (PhD, '07)**

Simatree

# GOVTECH PANEL BIOS

**Meg Vorland (Moderator)**  
Co-founder & Chief Revenue  
Officer, Dcode  
Managing Partner, Dcode Capital

The powerhouse behind Dcode’s mission to disrupt the federal tech landscape. At Dcode Capital, Meg has been instrumental in guiding venture-backed startups to scale within the notoriously complex federal market. Dcode, a privately-held advisory firm, has become a key player in connecting cutting-edge tech with government agencies, helping them scout, vet, and adopt transformative solutions. Before taking on her CRO role, Meg served as Chief Strategy Officer, where she spearheaded growth initiatives, expanded Dcode’s market reach, and ensured its operations and products were primed for scale.

Meg holds an MBA from Darden and previously served as Senior Advisor at the U.S. Small Business Administration under the Obama Administration.

**Tonio DeSorrento**  
Co-Founder & CEO  
GovPort

GovPort, a subcontractor management portal for government contractors. Previously, Tonio held executive roles at high-growth technology companies, including Vemo Education, which he co-founded, and SoFi. He is a visiting fellow at the Philadelphia Federal Reserve, a former venture partner at Learn Capital and ODX, and former adjunct professor of law at Georgetown Law. Tonio started his career in the U.S Marine Corps, where he served as a field artillery officer. He is a director of Veterans Legal Advocacy Group and an active participant in business communities like YPO. A graduate of the U.S. Naval Academy and Georgetown Law, he lives in Northern Virginia with his wife and six children.

# GOVTECH PANEL BIOS

**Matt Chong**  
Vice President of Federal  
Qualtrics

Matt leads the Qualtrics Public Sector Business, bringing over a decade of experience in the government technology sector.

He focuses on aligning innovative and strategic Experience Management solutions to the government and education space, transforming data into actionable intelligence, and facilitating informed decision-making.

Matt previously served as the federal leader at Qualtrics and spent seven years at Microsoft.

**Patrick McCreesh**  
Co-Founder & Managing Partner  
Simatree

Simatree is a strategy, analytics, and technology consultancy. With 20 years of advisory experience, Patrick passionately leads teams through digital transformations and the development of analytics programs across the public sector and Fortune 500 clients. Prior to founding Simatree, Patrick was an executive at Booz Allen Hamilton for over a decade, where he led data science teams across the federal government including the Social Security Administration, the Department of Homeland Security, and the Department of Justice. Patrick graduated from UVA with a Bachelor of Arts in Foreign Affairs and History, received his Master of Public Policy from Harvard University, and completed his Doctorate in Public Policy at George Mason University.

# FINTECH PANEL (2:45 – 3:30 PM)

**Dana Warren (MBA '08)**  
Canaan Partners Capital

**Panel Moderator**

**Greg Cooper (JD, '13)**  
The Bancorp

**Eglae Recchia (MBA '09)**  
Berkadia

**Molly Elgin-Cossart (MA '10)**  
Propel, Inc.

# FINTECH PANEL BIOS

**Dana Warren (Moderator)**  
Venture Partner  
Canaan Capital

Canaan Partners is an early-stage venture firm that invests in visionaries with transformative ideas. With 15 years of experience at companies like American Express, PayPal, and Stripe, Dana has led revenue, marketing, and strategy teams. Most recently, at Stripe, Dana helped build and grow global strategic partnerships with leading SaaS & B2B platforms including Shopify, Salesforce, Mindbody, Squarespace, and XERO. Dana advises early-stage tech CEOs and serves on the board of PeerForward, an education nonprofit. She holds a BA from Princeton and an MBA from Columbia Business School. Dana lives in Westchester, New York, with her husband and three children.

**Greg Cooper**  
Director and Deputy BSA and  
Sanctions Officer  
The Bancorp Bank

Greg oversees the organization's AML and sanctions compliance programs. With deep expertise in financial crimes compliance, he ensures the integration of regulatory frameworks with evolving fintech innovations. His work strengthens the bank's regulatory adherence, protects digital transactions, and supports fintech growth while mitigating financial crime risks.

# FINTECH PANEL BIOS

**Eglae Recchia**  
SVP, Chief Product Officer  
Berkadia

Ms. Recchia is responsible for driving the strategy, vision, and development of Berkadia's digital products. She leads the product, design, and financial model teams and co-manages BeEngaged Powered by Berkadia, an accelerator program for startups in commercial real estate. Prior to Berkadia, Ms. Recchia was the Global Head of Digital Products at Goldman Sachs, where she led digital innovations for the Investment Banking Division. She also held leadership roles at Freddie Mac, overseeing customer engagement tools. Ms. Recchia is a member of Berkadia's Diversity, Equity, Inclusion & Belonging Steering Committee and serves on MIT's Educational Council.

**Molly Elgin-Cossart**  
Former Executive  
Propel, Inc.

Molly Elgin-Cossart has experience across multiple sectors, including technology, finance, and policy. Most recently, as General Manager and Executive Team member at Propel, Inc., a mobile banking app for government benefits recipients, she oversaw the growth of the marketplace business to a \$30M+ business line. She's an expert on Go-to-Market strategies and revenue growth across diverse industries, including fintech.

# HEALTHCARE PANEL (3:30 – 4:15 PM)

**Professor Dennie Kim**  
UVA Darden

**Panel Moderator**

**Anna Maria Anthony (MBA '96)**  
Athena Health

**Hyder Chowdhry (MBA '21)**  
Humana

**Dr. Kent Locklear (MED, MBA '03)**  
Cape Fear Clinic

**Jon Dengel (EMBA '23)**  
University of Michigan Health Plan

# HEALTHCARE PANEL BIOS

**Dennie Kim (Moderator)**  
Assistant Professor of Business  
Administration  
UVA Darden

Professor Kim specializes in Strategy, Ethics, and Entrepreneurship. His research focuses on the design and performance of social networks, applications of blockchain technology and AI, and the role of decentralization in business models. He has a keen interest in how tech can drive innovative business practices and serve as a catalyst for positive social change, particularly in health care and education. Prior to joining Darden, he worked as a consultant in the biopharmaceutical and medical technology industries, and as a hospital administrator in surgical services.

**Anna Maria Anthony**  
Customer Success  
Athena Health

Anna Maria is 10-year veteran of athenahealth, a leading provider of EMR and practice management solutions, where she last served as an executive director in the customer success organization. Athena was acquired by Bain Capital and Hellman Friedman in Q1 2022. Prior to Athena Anna Maria enjoyed an 18-year career in consulting. She lives in Boston with her husband and enjoys visits to see her grown sons in New York and Denver. She graduated from Darden in 1996.

# HEALTHCARE PANEL BIOS

**Kent Locklear**  
Medical Director & CMO  
Cape Fear Clinic

An experienced physician executive specializing in clinical transformation and healthcare technology. He has a proven track record in leading complex initiatives, driving organizations toward outstanding clinical and financial outcomes, and championing health equity. Dr. Locklear is a triple 'Hoo (CLAS '84, MED '88, Darden '03) with a passion for leveraging technology to improve our lives and health.

**Hyder Chowdhry**  
Corporate Strategy Lead  
Humana

Hyder works with Humana's business leaders on growth strategy, partnerships, and strategic planning. Recently, he has focused on assessing applications of AI to drive value across the organization. Prior to Humana, he spent five years in the United States Senate advising U.S. Senators on domestic policy. Hyder is deeply interested in technology, innovation, and the evolving policy discussions surrounding AI regulation. Hyder received a BA in Biochemistry from the University of Iowa and MBA from the University of Virginia Darden School of Business.

**Jon Dengel**  
COO & CIO  
University of Michigan Health Plan

Subject matter expert within the healthcare payer and systems ecosystem focused on technology-driven transformation. Leading market expansion, operational and IT departments, and joint venture engagements. Former Director of Enterprise Project Management and Continuous Process Improvement Office for Meridian Health Plan, overseeing all strategic projects including the redesign and modernization of an end-to-end health insurance software system.
